WELCOME TO ANDREW DALE RACING

On behalf of Andrew and his team at Andrew Dale Racing, we wish to extend a warm welcome to our stable and thank you for giving us the opportunity to care and manage the welfare and racing career of your thoroughbred.

At ADR, we invoice all owners monthly in arrears so you will receive your monthly account by no later than five (5) business days into the following month. These accounts are due for payment within seven (7) days of receipt.

Although it is not possible to indicate in advance the exact monthly cost of training your horse given variables such as whether your horse is in full work, spelling and / or racing, this Fees Notice sets out the common fees and charges incurred but of course does not cover all the expenses you will be charged.

While some fees and charges are calculated at a daily rate (i.e. training fee etc), others are calculated per treatment (i.e. veterinary, farrier, chiropractor etc) or per trip (i.e. transportation). Also, as each horse matures and progresses at different rates, the training costs will vary from one horse to the next depending on the point of their career preparation.

Of course, should you have any queries in relation to this Fees Notice or your monthly account, please do not hesitate to make contact with us.
